AT FLYING SCHOOL

EDDIE J. ARCENEAUX, JR.

Eddie J. Arceneaux, Jr., son of Mr. and Mrs. E. J. Arceneaux of Bay St. Louis, enlisted in the United States Army on July 17, 1940, immediately following his graduation from St. Stanislaus.

He was sent to Presidio of San Francisco, California, for his basic training. He was then transferred to Ft. Lewis, Washington, and from there to Ft. Ord in California.

Eddie was selected to be sent to flying school and was transferred to San Antonio, Texas, for preflight instructions. He is now stationed in Cuero, Texas, in preflight training school. He has already soloed. Upon the completion of his primary training, he will be transferred to basic training, and from there to an advanced flying school.

Prior to his transfer to flying school, he was a member of the 30th Infantry, 3rd Division.

His parents are justly proud of his accomplishments, and we sincerely hope that he will win his wings, serve his country, and return to them unharmed.

MAJOR SOUTHWICK APPOINTED

Coordinator Civilian Defense Activities For Hancock Harrison and Jackson Counties

Capt. Roderick, Signal Officer of the Third Fighter Command at New Orleans, and C. Fred Morgan, Director of the Mississippi Civilian Defense Council, have announced the appointment of Major M. B. Southwick, retired, of Gulfport, as Coordinator for all Civilian Defense activities in the counties of Hancock, Harrison and Jackson. Major Southwick will be responsible for organizing aircraft warning service in these counties. He will also be responsible for coordinating the entire Civilian Defense Program in the same area. This will include all activities in the Citizens Defense Corps and Citizens Service Corps.

The Fighter Command and the Mississippi Civilian Defense Council exercised excellent judgment in the selection of Major Southwick as Coordinator for the Coast Counties. He is a veteran of World War I, having commanded a machine gun battalion, and was over seas for approximately two years. Major Southwick was awarded the Distinguished Service Cross during the last war.

He has a very strong personality and a great devotion to duty. His appointment has grown out of his activities and his contribution to civilian protection in this area. Not being able to return to active duty with the army, he has devoted much of his time to Civilian Defense work and has been particularly active in the development of the air raid alarm system in this area, and has been instrumental in getting the entire coastal section in one warning district connected with the New Orleans area.

Colonel Morgan, in announcing the appointment of Major Southwick, stated: "We believe that Major Southwick is one of the most capable in operating procedure in this area, in that there will be no confusion resulting from these difficulties in the future. We request all local Civilian Defense authorities to cooperate closely with Major Southwick."

It has been our happy lot to have had occasion to have worked with Major Southwick, and we can assure Colonel Morgan that he will not be disappointed in his selection, as Major Southwick has made a real study of Civilian Defense in this district, and in addition to the services that he may render the three coastal counties, we believe that he will be of invaluable service to the State organization.

Minor Injuries Received In Auto Accident

An automobile and truck collision in which the automobile belonging to Mrs. Elizabeth Becker and a drayage truck of the Mobile Express Company both were considerably damaged and in which Mrs. Becker and a passenger in her car, Jo Ann St. Angelo, little daughter of Mrs. Celia St. Angelo, escaped with minor injuries in some miraculous manner.

The accident occurred on Second Street near the J. B. Goldman home when the truck collided with the Becker automobile. The St. Angelo child who was riding in the rear seat of Mrs. Becker's car was thrown forward and received a cut on the forehead and was badly shaken up. Mrs. Becker received a number of bruises and was badly shaken up also.

Jo Ann was treated at the King's Daughters Hospital and Mrs. Becker was taken to her home.

GASOLINE RATION REGISTRATION CONCLUDED

Date Changed To December 1st Instead of Dec. 2nd—1080 Cars Registered In County

The local Rationing Board, with the assistance of the Civilian Defense Volunteer Office has concluded the registration of automobiles under the gasoline rationing program. The total registration of cars in Hancock County for class A cards amounted to 1,080, divided as follows among the different places of registration:

Bay St. Louis	630
Sellers	42
Kiln	129
Waveland	102
Clermont Harbor	51
Logtown	69
Aaron Academy	57

The date of rationing was first set for November 22nd and was changed to December 2nd. The following day the date was again changed to December 1st, so all motorists should make note of the fact that the date gasoline rationing begins is not December 2nd, but December 1st.

A motorist is entitled to fill his tank with gasoline prior to the date rationing begins, so we would suggest that if any motorists intend to do this, that they go to their gasoline station not later than November 30th and have their tanks filled otherwise, they will be shut out, if they are laboring under the impression that December 2nd is the date that rationing begins.

Ration books, issued begin with coupon No. 3, which was originally valid for the period from November 22nd, 1942 to January 21st, 1943, inclusive. With the new date being set for December 1st, the coupon now becomes valid on December 1st, 1942 and expires February 1st, 1943. New regulations have been received governing the issuance of ration books for non highway gasoline, which includes gasoline for outboard motors and in-board motors, used in boats, and for farming implements, etc., where the gasoline is not used on highways.

All who use gasoline for these purposes are urged to file their applications with the Local Rationing Board at once, so that they may have the same in their files in order that they may pass on the application for gasoline for these purposes.

Prizes For School Children In Scrap Drive To Be Announced Next Week

We had hoped to be able to announce prize winners in the scrap collection drive in this week's Echo, but we are unable to do so because the lists showing weights collected by pupils are not in from the county schools. The City Schools are practically complete and we hope to have all the information in so that prize winners can be announced in next week's Echo.

ASKS RETURN OF CHAIRS TO CONVENT

Mother Claire, Superior of St. Joseph Academy, is requesting any one who might have collapsible chairs which belong to St. Joseph Academy, to please return them to the Academy as soon as possible as they are needed.

The convent has been most generous in lending their chairs for every occasion whenever requested but the original number has dwindled from two hundred to less than fifty and it is possible that these chairs may have been overlooked somewhere.

So please if you have any of these chairs, return them to St. Joseph Auditorium.

PARADE OPENS BOND DRIVE

All Schools And Organizations Join in Parade Opening "Women At War Week"—Sponsoring Bond and Stamp Sale

On Monday afternoon to the strains of patriotic music and with every school and civic organization represented, a gigantic parade heralded the first day of "Women At War Week."

The parade formed at the City Hall and was headed by cars in which city and county officials rode. A flag bearer bearing the banner of the Civilian Defense Volunteer Office was followed by members of the different branches and staff workers of the Volunteer Civilian Defense Office and the Citizens Service Corps.

The St. Stanislaus College Band in their colorful uniforms were led by their Director, Brother Romuald, and was followed by the entire student body of the college.

Next came members of the Girl Scout Troop No. 2, of the St. Joseph Academy and the entire student body—each girl wearing a small flag on her back with the insignia of the Junior Red Cross.

The Bay High School Band under direction of Mr. Pat Rooney paraded behind their drum majorettes and color bearers and added much to the parade. At the head of Main and North Front Street, the procession halted while the majorettes gave an exhibition of baton twirling. At this point, Mr. Joseph O. Mauffray was introduced by Mr. A. E. Cox, Chairman of the Hancock Civilian Defense Office, and addressed the large throng of people who had gathered at this point to witness the parade.

Mr. Mauffray reminded his audience, that the women of Bay St. Louis and Hancock County intended to make "Women at War Week" a banner week in the history of the county and hoped everyone would avail themselves of the privilege of investing in war savings stamps and bonds to their limit.

After the brief and inspiring talk, the procession continued on from this point and the Victory Maids who are stationed in the Victory House, who had dismounted from the Army jeeps in which they rode, returned to their posts and continued their sales of bonds and stamps.

The parade continued from here with excellent representations from the Woman's Benefit Association, Episcopal Guild, War Veterans' Auxiliary, members of the Staff Workers, Motor Corps and all branches of the American Red Cross Chapter of Hancock County, the Military Maids, and an excellent representation from the colored schools.

Making a stirring and striking appearance in the parade were fifty cadets from the War Shipping Administration's Merchant Marine Cadet Training Base at Henderson Point, handsome and stalwart in blue uniforms and with their own band following.

Mrs. Albert Biehl was in charge of parade arrangements. The women of Bay St. Louis can justly be proud of one of the largest, most colorful and stirring parades ever to be witnessed in Bay St. Louis which reminded everyone forcibly of the Bond and Stamp Sale which they are sponsoring this winter under the direction of Mrs. Marion Anderson and Mr. Joseph O. Mauffray, and no doubt the final accounting of the sale in figures will more than go "over the top."

Explanation Of Gasoline Rationing Regulations Regarding Trailer Tires

Reports reaching the state. OPA Office indicate that many trailer owners do not understand requirements of OPA gasoline rationing regulations regarding trailer tires. J. D. Wise, State OPA Rationing Officer, stated today.

Tires mounted on trailers may not be reported, but it is desirable that a report be made on them. They do not have to be turned in as surplus tires. Trailers used for pleasure or recreation, such as for hauling fishing boats, are not eligible for tires.

But, Mr. Wise explained, if the trailer is part of truck equipment and used in industry or commerce, it is classified as essential. All tires should be reported on a separate "A" gasoline application showing serial numbers of all tires on the running wheels of the trailer if the owner expects to be eligible for tires or repairs for his trailer.

No person can keep a spare tire for a trailer drawn behind a passenger car.

Home Coming Day Celebrated At Bay High School Friday

Friday was Homecoming Day at Bay High when they played their final game of the season with Long Beach.

Preceding the game the school band paraded with a car decorated in the school colors carrying the queen Miss Mary Helen Bourgeois, wearing a light blue tailored suit, worn with brown accessories and a corsage of red carnations. With her rode her maids selected from the high school classes: Freshmen: Rosemary Rollins, Sophomores: Miss Alicia Rollins; Junior: Miss Gloria Tyler; Senior: Miss Mary Margaret Turcotte.

At the end of the first half of the game, Pat Murphy, captain of the team presented Miss Bourgeois with an arm bouquet of yellow chrysanthemums.

Friday night was the scene of the home coming dance which took place in the Bay High gym. The decorations consisted of yellow and brown crepe paper, hanging from the top with branches and leaves of yellowish color all around the gym.

The bulk of Christmas mail must be in the post offices by December 1 this year if deliveries on time are to be assured, according to Smith W. Purdum, Second Assistant Postmaster General. Mr. Purdum is responsible to Postmaster General Frank C. Walker for smooth and efficient air and railway mail service.

Unprecedented wartime demands on the postal and transportation systems, plus a prospective record volume of Christmas mailings, were cited by Mr. Purdum as necessitating earlier mailings than ever before. "It is physically impossible for the railroads and air lines, burdened with vitally important war materials, to handle Christmas mailings as rapidly as in normal times," Mr. Purdum said. "If the bulk of parcels and greeting cards are held back until the usual time—the period of about December 15 to 23—they simply cannot be distributed in time and thousands of gifts will reach their destinations after Christmas."

In 1941, about 21,950 mail cars were required between December 12 and 24 to deliver Christmas mails—enough cars to make a train 270 miles long. This year, the extra cars needed to move holiday mails are largely being used by the armed services, and a severe shortage is in prospect.

The postal service usually borrows about 2,500 trucks from the Army and other Government agencies, and rents about 10,000 from private owners, to handle the Christmas mails. This year, it will be extremely difficult to obtain enough of these vehicles to meet even a substantial part of the need. The Army needs its own trucks and private owners are reluctant to let someone else use their tires.

Railroads are cooperating by converting some hundreds of steel box cars and similar equipment for mail transportation, and Joseph B. Eastman, Director of Defense Transportation, has ordered that unnecessary travel be curtailed to the limit during the holiday season. These measures cannot assure deliveries of gifts on time unless the public cooperates by mailing early, and thus spreading the transportation load over a longer period than usual.

Mr. Purdum called attention to the task of the Post Office Department in moving millions of pieces of mail every day to and from soldiers, sailors and marines throughout the world. This extraordinary job must be kept current, even while the holiday rush of mailings is handled. Also, he pointed out, the postal establishment is operating with many thousands of inexperienced personnel, employed to take place of men called to the armed service. The new employees naturally cannot handle the holiday mail jam with the smoothness and speed of the postal veterans whom they replace.

In view of all these handicaps to the service, Mr. Purdum added, postal patrons should mail their gifts by December 1 if they wish to insure that their friends will not be disappointed at Christmas.

Aviation Cadet

Maxwell Field, Ala., Nov. 26.—George William Creel, son of Mrs. Lola Tillman, of North Beach, Bay St. Louis, Mississippi, is now enrolled as an aviation cadet in the Army Air Forces Pre-Flight School for Pilots at Maxwell Field, located on the outskirts of Montgomery, the capital of Alabama.

Here the new class of cadets will receive nine weeks of intensive military, physical and academic training preparatory to beginning their actual flight instruction at one of the many primary flying schools in the Southwest Army Air Forces Training Center.

Cadet Creel attended Biloxi High school and was working as a bookkeeper when he entered the U. S. Army, where he had served 18 months when appointed as an aviation cadet in the Army Air Forces, September 17, 1942, at Orlando Air Base, Florida.

Promoted to Sergeant

William C. Sick, son of Mr. and Mrs. Wm. C. Sick of Bay St. Louis, Miss., a member of 669th Bombardier Training Squadron, has just been promoted to the rank of Sergeant. He is a mechanic on the Flight Line. Sergeant Sick, 25 years old, has been in the Army since January 9, 1942. In civilian life he was a Diesel Engineer.

OUTDOOR LIGHTING FORBIDDEN

All Outdoor Christmas Lighting Forbidden in Coastal Area—Indoor Lighting Permitted Where Not Visible From Sea

The War Production Board has requested that outside electrical Christmas lighting be dispensed with this year, and in addition to this, Colonel C. Fred Morgan, Director, Mississippi Civilian Defense Council, has issued an order that such outdoor display of Christmas lighting will be absolutely forbidden by military authorities in all coastal areas and in certain dim-out sectors.

Merchants and city officials in interior parts of the country, while not forbidden to use such lighting are advised against it. Several reasons are given for this recommendation. In the first place, all available electrical energy is needed for war production and for necessary lighting. It is estimated that in one night prior to Christmas, display lighting in the United States consumes enough electricity to light a city with a population of fifty thousand for a whole year. When such display lighting is continued for a period of weeks before Christmas, the drain upon the available electrical resources is tremendous.

For that reason, all outdoor display Christmas lighting is frowned upon by the War Production Board and the National Office of Civilian Defense.

On the Coast it has been customary to have elaborate outdoor Christmas lighting. This will have to be dispensed with this year, for we are in a dim-out sector, and the only Christmas lighting that will be permitted will be inside store buildings and homes where they are not visible from the sea. The Director of Mississippi Civilian Defense Council urges all Mississippians to cooperate with this plan.

Gulf View School At Lakeshore Completely Destroyed By Fire

The Gulf View School, located at Lakeshore, Mississippi, was completely destroyed by fire of unknown origin, at the noon hour, Monday. Teachers and pupils had gone into the lunch room when a child discovered the fire but it was then beyond control.

The school is a three room frame building with a wide front porch and was heated with wood burner stoves and it is supposed the fire caught from a stove.

Augusta Schwartz, a pupil, saved the flag which was flying from the pole in the front yard. Little furniture and books were saved. The school had an enrollment of 97 with three teachers, Ethel Zingler, head, assisted by Misses May Colson and Nancy Powell.

IMPORTANT MEETING STANISLAUS SIDELINES CLUB FRIDAY NIGHT

The St. Stanislaus Sidelines Club will have a meeting Friday night, November 27th, 1942, at 7:45 P. M. in the lounge room at the college.

This is a very important meeting. St. Stanislaus plays McGill Sunday, November 29th, which is also Homecoming Day and preparations for the parade and of highlights of the day will have to be made. In addition we will probably hear some news, as to the probable teams selected to play in the Sugar Bowl and which teams will be announced in a few days. We want one of the teams to train at Bay St. Louis. All members of the Sidelines Club we are sure will be interested in having one of the teams here. It gives to Bay St. Louis advertisement that money cannot buy.

Bro. Peter has just returned from a trip East, and visited Boston College. Their team is undefeated and who knows perhaps they will be one of the teams, if so we certainly want them to stay with us. The boys who are now stars on the team were sophomores when they visited with us two years ago. They are really a splendid group of boys and the people of Bay St. Louis are high in their hopes that they will again visit with us.

Bro. Peter may have some news to give. Certainly he will be able to relate the high spots of his trip. May we urge the members of the Sidelines Club to be present.

S. J. A. PARENTS' CLUB MEETING

The regular monthly meeting of St. Joseph Academy Parents Club will be held at the Academy on Tuesday afternoon December 1st at 2:30 and all members and parents of children attending the Academy are invited to attend.

NOTICE!

November 24, 1942

TO THE PROPERTY HOLDERS OF THE CITY OF BAY ST. LOUIS:

It has been brought to the attention of the Board of Mayor and Commissioners of the City that many holes and other depressions are appearing in the sidewalk and driveways of the City, thereby making it dangerous to the walking public.

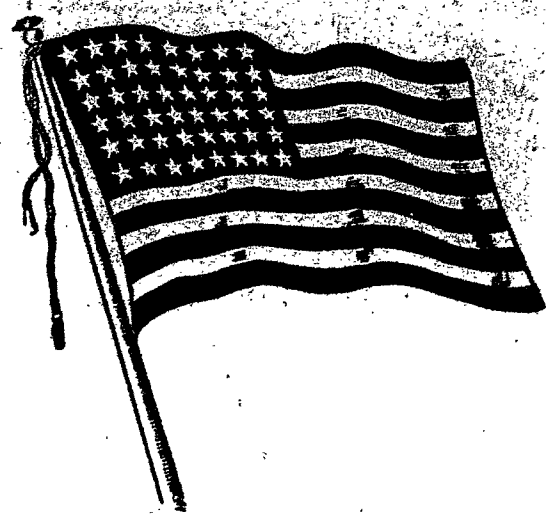

Under the charter of the City it is necessary that all property holders must keep in good repair the sidewalk adjacent to their property, and it is further provided that a failure on the part of the property holder to keep his sidewalk in good repair may result in the City undertaking this repair itself and charging the cost thereof to the property holder.

It is the desire of this board not to have to resort to the procedure of repairing the sidewalk itself and thereby impress a lien on the property holder in default, but the board wishes to take advantage of this means and opportunity to call upon all property holders to make the necessary repairs to their sidewalk and driveways immediately.

Hoping that all concerned will take heed and warning of this notice, we are,

BOARD OF MAYOR AND COMMISSIONERS

THANKSGIVING

WE, in the United States, have much for which to be thankful. We should bend our knees in prayer, thanking God Almighty for the many gifts that he has bestowed on this country—a country blessed with more material wealth than any country in the world.

We should be thankful to God Almighty for having inspired the writers and signers of the American Declaration of Independence in holding that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are, life, liberty, and the pursuit of happiness. Upon these principles our Government was founded, and has continued to exist. A Government which gives to its people the right of free speech, freedom of the press and freedom of the practice of their religion.

We should thank God that we are not governed by men who do not believe that there is a God above them. The President of the United States has proclaimed Thanksgiving Day and New Years Day as days of prayer. His proclamation is as follows:

"DAYS OF PRAYER: THANKSGIVING DAY AND NEW YEARS DAY"

"By the President of the United States Of America

"A PROCLAMATION"

"It is a good thing to give thanks unto the Lord." Across the uncertain ways of space and time our hearts echo these words for the days are with us again when, at the gathering of the harvest, we solemnly express our dependence upon Almighty God.

"The final months of this year, now almost spent, find our republic and the nations joined with it waging a battle on many fronts for the preservation of liberty.

"In giving thanks for the greatest harvest in the history of our nation, we who plant and reap can well resolve that in the year to come we will do all in our power to pass that milestone: for by our labors in the fields we can share some part of the sacrifice with our brothers and sons who wear the uniform of the United States.

WASHINGTON'S WORDS

"It is fitting that we recall now the reverent words of George Washington:

"Almighty God, we make our earnest prayer that thou wilt keep the United States in thy holy protection, and that every American in his own way lift his voice to heaven.

"I recommend that all of us bear in mind this great Psalm: 'The Lord is my Shepherd; I shall not want.'

"He maketh me to lie down in green pastures; 'He leadeth me beside the still waters.

"He restoreth my soul: He leadeth me in the paths of righteousness for his name's sake.

"Yea, though I walk through the valley of the shadow of death, I will fear no evil: For thou art with me; thy rod and thy staff they comfort me.

"Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

"Surely goodness and mercy shall follow me all the days of life: and I will dwell in the house of the Lord forever."

"Inspired with faith and courage by these words let us turn again to the work that confronts us in this time of national emergency. In the armed service and the Merchant Marine; in factories and offices; on farms and in the mines; on highways, railways and airways in other places of public service to the nation and in our homes.

"Now, therefore, I, Franklin D. Roosevelt, President of the United States of America, do hereby invite the attention of the people to the joint resolution of Congress approved December 26, 1941, which designates the fourth Thursday in November of each year as Thanksgiving Day; and I request that both Thanksgiving Day, November 26, 1942, and New Year's Day, January 1, 1943, be observed in prayer, publicly and privately.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

"Done at the City of Washington this eleventh day of November in the year of our Lord nineteen hundred and forty-two, and of the Independence of the United States of America the one hundred and sixty seventh.

"(SEAL) "FRANKLIN D. ROOSEVELT.

"By the President:

"CORDELL HULL,

"Secretary of State."

We should thank God that we are Americans.

JOIN THE NAVY AT HOME

SINCE the opening of a full time U. S. Navy Recruiting Station on October 10 at Gulfport for the purpose of serving the Gulf Coast area, there have been approximately 100 enlistments, according to information from the recruiter in charge. This is indeed gratifying to the people of this section as well as to the Mississippi Navy recruiting personnel, since prior to October 10 the Mississippi recruiting figures included only a small portion of the enlistments from this territory in their totals, as local boys, because of convenience, necessarily went to New Orleans, and in the large number of enlistments at that station there were many from Mississippi, but whose enlistment helped to swell the quota of Louisiana.

Of course we don't like to think of any of our efforts now from a competitive standpoint, when it is so necessary that everybody put his shoulders to the wheel and effect an all out for national defense, but in fairness to all concerned, we do want it on record that Mississippi is always ready to do her part and that she has furnished and will continue to furnish her quota of men, just as she will not be found lacking in any other efforts. We congratulate the U. S. Navy Recruiting Service for establishing facilities here where men can enlist at home, and we feel that the local people will use these facilities and be counted as those "sent from Mississippi."

Fleas And Flies Classic

Sunday December 13th

The 26th annual Flea-Fly contest has been scheduled this year for the second Sunday in December. This affair is always the closing of football activities for the small boys at St. Stanislaus and this year competition will be keener than ever.

Teams will be chosen from eighty-four members of the Tiny Rocks who just completed an undefeated and untied season. The final victory of the season was over the St. Stanislaus Day School 37-18.

Coaches for the Fleas will be Jack Perkins and Mike Mitchell and Norman Toupons and Frank Thomas will handle the Flies.

Eighteen Fleas and seventeen Flies returned from last year. The Fleas are John Grace, Charles Kiefer, Tommy Mobley, Anthony Pitallo, Tommy Ogen, Jeff Favre, Phil Kergosier, Ed Landry, James Straughan, Gerald Kehoe, Claude Kohler, Mooney Nally, Roger Heitzman, Albert Fay, Lucien Gex, Henry Caspepon, and Albert Domeaud.

The Flies are: Toby Sealide, Dora Cusan, Bobby Johnson, Robert Bo, Teddy Forner, Jack Carter, Bobby Hammett, Charles Stachle, John Hopper, Ray Hagman, Louis Stachle, Jules DeBarros, Jack Landry, Charles Polson, Tommy Kehoe, Jerry Gilmore and John Bones.

The following boys have already participated in two Flea-Fly games: Joe David, John Greco, Toby Sealide, Jerry Kehoe, Bobby Hammett, Teddy Perrier, Tommy Mobley, Bob Johnson, Tommy Owens, Jeff Favre, and Louis Stachle. Dickie Curran a veteran at this Flea and Fly classic will be playing for the fourth time this year.

S. J. A. NOTES

Saint Joseph Academy observed Book Week by decorating its library with gay posters so that the hours spent there during this week were more cheerful than ever. Students were given instruction in the use of books and libraries. The Freshman class presented a program to explain the purpose—Book Week. A shadowgraph was presented under the supervision of Sister Mary Grace, school librarian. The entire school body enjoyed the various numbers of the program.

Girl Scout Troop 2 held their weekly meeting in Sister Blainie's classroom last Thursday. The troop is divided into three parts so the purpose of this meeting was to elect leaders. The first patrol—the Pelicans elected Mary Jane Donlin the second group—the Sea Gulls voted for Virgil Dick and the third patrol chose Ginette Domeaud as their leaders. The scouts are again very busy with their craft work. The various articles which they are now making will be given as Christmas presents to their parents and friends. The youngsters are very anxious to have a gas meter installed in their house so that they can enjoy their meetings and do their work in privacy and comfort. Plans were discussed about the parade and all were urged to collect as much scrap as possible.

Noted in the Victory Parade Monday afternoon. The purpose of the parade was to boost the sale of War Stamps and Bonds.

Notice In accord with the wishes of the government that gasoline and rubber tires be conserved the Stanislaus authorities regret that they had to call off Homecoming. But there will be a football game Sunday afternoon between the Stanislaus Rock-A-Chavs and the McGill Yellow Jack-

"FLYING TIGERS" IS POWERFUL AND TIME-LY NEW PRODUCTION

Film to Be Shown at A. & G. Theater Sunday and Monday

History in the making has been immortalized on celluloid by Republic in its picturization of the heroic exploits of the flyers in Generalissimo Chiang Kai-Shek's American Volunteer Corps. "Flying Tigers" which is scheduled to open Sunday at the A. & G. Theater, with John Wayne, John Carroll and Anna Lee in the leading roles, tells a dramatic story of the lives and loves of the men who meet death face to face in the skyways over Burma.

The boys in the A. V. G. joined the Burma Road Patrol originally as "soldiers of fortune" eager for adventure and not averse to the large salary and bonus Generalissimo Chiang Kai-Shek plays them for bagging Japanese planes. But, once in service, they become imbued with more lofty motives, once they realize the heroism of the Chinese nation, fighting for its freedom.

John Wayne plays the role of Squadron Leader Jim Gordon, who has chalked up an impressive showing in spite of being outnumbered three to one by enemy planes. But he realizes that his command cannot continue on courage alone, and to fill out his depleted ranks he drafts into service his old friend Woody Jason—played by John Carroll.

Woody immediately wins the ill will of his fellow flyers by his cocky egotism and his bluntly mercenary motive for joining the group. In his zeal to lose no time in bagging Japanese planes and winning the \$500 bonus he goes into an aerial dog-fight untrained and unarmed, and succeeds only in wrecking his plane.

The manne r in which he regenerates himself in the eyes of his fellow flyers provides dramatic conflict for the plot.

Among the supporting players are Bill Shirley, Paul Kelly, Tom Neal, Gordon Jones, Edmund MacDonald, Bud McTaggart, Gregg Barton, David Bruce, John James and Jimmy Dodd.

Baptist Convention

The Mississippi State Baptist Convention held its annual session in Jackson last week, beginning Monday and closing Thursday. The session was presided over by Dr. R. B. Gunter, president, who will be succeeded by the newly elected president E. C. Williams of Jackson. The Baptist Convention was organized in Natchez 106 years ago.

Oldest Club Member

Miss Ella McGuire, died in the home at Oxford on Friday, November 13th. She was born in Oxford 91 years ago and spent her life in that classical little city. She worked for many years in the big Nelson store in Oxford, and was said to be the oldest member of the Business and Professional Women's Clubs in the world.

Many Conventions

The Jackson Chamber of Commerce has announced that 80,000 people have come to Jackson this year to attend meetings and conventions of different kinds, pertaining to business, education, religion, social life, professional organizations and others. And even at this early date 92 conventions have already been scheduled for Jackson in 1943.

"Mother Berry"

A beautiful portrait of Mrs. Modena Lowrey Berry, of Blue Mountain, was unveiled in the War Memorial building in Jackson on Monday of last week. The occasion was well attended and the ceremony very impressive. A number of appropriate tributes were paid to Mrs. Berry, affectionately known in her later years as "Mother Berry." She was "Lady Principal" of Blue Mountain College from its beginning in 1873 until her death January 31, 1942.

Gasoline Tax

It is anticipated that there will be a material falling off of gasoline tax collections as soon as gas rationing begins, in the next few days. The reduction of income from that source will create a situation which may have to be dealt with in an extraordinary session of the legislature. It is likely that sufficient collections will be received to take care of the road bonds as they come due, but not to pay the bonds and return to the counties any considerable amount of money, which the boards of supervisors will need to meet certain obligations based upon gasoline taxes. In the two years ending June 30, 1941, the sum of \$10,118,593.11 was returned to the counties.

Big Crop

Gov. Johnson stated last week that the penitentiary farm at Parchman, 15,000 acres with 2,000 convicts, is making its banner crop this year. Already ginned 7,114 bales of cotton with probably a hundred bales more to gin, and a fine crop of grain, hay and vegetables. A new dandy has been established with 250 cows providing milk and butter for the prisoners on their daily diet, for the first time ever.

Days to Register

President Roosevelt has issued a proclamation naming the first registration period for the 18-19 year old boys as December 11 to 17th for those who became 18 in July and August. Later dates will be fixed for those reaching the age of 18 since August.

Coffee

The rationing of coffee will begin on November 29th at Midnight. November 21st the sale of coffee was stopped until the 29th of November, or really the 30th as the 29th is on Sunday. The housewife will not have to register this time but on the 29th of November her sugar stamp No. 27 will be good for coffee. The retail merchant will be able to supply all necessary information from that date on until the plan is changed, if it is.

Navy Enlistments

Young men of Mississippi continue to rush to the recruiting stations to enlist for military service and choose their own branch. In the one day of Tuesday, November 17th the Navy Recruiting station in Jackson enlisted 38 young men for that branch of service.

Senators Active

Sen. Theo G. Bilbo and Sen. Wall Doxey, Mississippi senators, are in the thick of the fight against the poll tax bill now pending in the Senate. Several other southern senators are also engaged in what may become a famous filibuster.

Turkeys

Many car loads of turkeys are being shipped from Mississippi to the markets of the North for Thanksgiving Day. Farmers in northeast Mississippi, especially in the prairie section, are making some money off of their turkey crop.

Raking Around

A pair of big horses hitched to a wagon ran away in Jackson last week and wrecked a parked car.

STANISLAUS BAND TO GIVE VICTORY CONCERT, DEC. 7

Patriotic Program Planned To Boost Sales of War Stamps and Bonds

The St. Stanislaus Band under the direction of Brother Romuald will give a patriotic concert commemorating the anniversary of Pearl Harbor Monday evening, December 7, in the St. Joseph Auditorium. The entire program is being planned with a view of stimulating American patriotism and boosting the sales of War Stamps and Bonds. There will be no admission charged for the performance.

The St. Stanislaus Band of this year is undoubtedly the finest in the history of the school and is especially strong in the reed section. Regular rehearsals are being held faithfully every day to insure that this, the first in a series of contemplated concerts, will be an overwhelming success. The musical program includes a variety of selections of a popular and classical nature and are of the type that the entire public both young and old will enjoy.

The members of the band organization feel that by giving these free concerts they will be doing their part in the National Defense Program. Consequently, the main feature of the evening will be the sale of Stamps and Bonds during the intermission and at the entrance.

The tentative program is as follows:

1. Solemn Pledge of Allegiance to the Flag of the U. S., followed by the "Star Spangled Banner."
2. March — Selected
3. In A Little Spanish Town, waltz, O. Sciacca
4. Melody in F—Flute Solo by Rod-ned Ranson and A. Rubinstein.
5. The Spartan—Alto Horn Solo by A. J. Scaffie—F. I. Buchtel.
6. By The Light of The Silvery Moon—Sax Quartet—G. Edwards, (J. Reuther, D. White, C. Piazza, and F. Kiefer.)

Charley Green of Laurel, prominent lumber man formerly connected with the Eastman-Gardner Co., died in New York last week. December 12 has been set for the voting day on the cotton quota plan, when farmers will decide if the plan will be continued. Three forest fires raged in northeast Mississippi for several days but were subdued last week, after considerable damage. The Allied soldiers pursued Rommel's army through the Are Gone desert. Cotton picking in the state is about over, and it appears that the state's total production will exceed two million bales. Gov. Johnson has issued a Thanksgiving proclamation, designating Thursday, November 26th. Mobile shipyard launched its 16th ship last week, built for the Maritime Commission. Mrs. Franklin D. Roosevelt has returned from a visit of several days to England. The consolidated school building in Rolling Fork, built at a cost of more than \$150,000, and said to be one of the finest in the Delta, was destroyed by fire last week.

MINIATURE ZOO OF MR. CHAS. ZERR INTERESTING

During the early dry fall when flowers and foliage were crisp and there was always a bright flower nodding through the iron fence which incloses the Zerr home on North Beach.

The upper floor of this attractive duplex is occupied by Mr. and Mrs. Charles Zerr and the lower by her aunt and sister Mrs. Albert Gaspard and Miss Geraldine Ames. Not only the brightness of it is evident here but the two families might well be titled the happy family for you always meet a smile.

Their flowers are their pride and joy and are as beautifully kept as the home but Mr. Zerr's feathered friends win the laurels when it comes to color and Mr. Zerr takes great pride in showing them to visitors.

Color runs riot in the wire enclosed part of the yard and every convenience for the comfort of the birds is provided.

A pair of Australian pheasants are radiantly beautiful. Your first impression of Mrs. Pheasant is her brown dress and beside her handsome mate her beauty seems obscured but as she walks proudly beside him she scintillates color emitting in every movement the silver feathers apparently concealed. But plainly visible is the little red cap of head and her colorful collar.

But Mr. Pheasant! His red topped head and blue-black body with a silver mantle extending forty-five inches to the tip of his tail. This mantle glistens in the sun like silver shafts of light across a dark background. He seems almost humanly conscious of his charm.

The Lady Amhurst pheasant from Hungary beggars description. This gorgeously colored bird wears a silver shoulder cape which raises when she lifts her wings and the cape is drawn up around her shoulders and her eyes twinkle as she seems to say "Look at me" but her conceit is justifiable for added to the beauty of her colored body is the silver mantle reaching from her cape over the rest of her body.

There is the golden brown pheasants with white ringed necks—Ohio Ring Necks—rivaling the gold of the sun.

The Chinese golden pheasants the Chinese pigeons somewhat drab in color and the Spanish pigeon with colors running riot so typical of its native country are among the collection.

A large magnificent Macaw, hailing from South America wears an exquisite blue green robe with yellow trimmings intermingled with myriads of colors stands alone in its beauty. It is the indifferent type where strangers are concerned but talks to Mr. Zerr gaily and sits on the stone gate pillar attracting the passers by.

The red-headed Brazilian Cardinal, though the only one of his kind in this bird kingdom, seems contented and happy on his perch and glad to add his portion of color.

In addition there are the wild French ducks, wood ducks who nest in the trees (these are fast becoming obsolete) mangier ducks from China, prize-winning Pekin ducks and turtles all a part of Mr. Zerr's friends.

And amidst these feathered friends is a friendly Fitch Ferret all the way from Africa wearing his fur coat in and out of season and very anxious to be noticed. He has his own home built by Mr. Zerr (though he would just as soon be in Mr. Zerr's arms) and the fact that he is not of the feathered tribe disturbs him not.

There are flowers, flowering shrubs—fruit bearing trees and vines and here Mr. Zerr and his friends are supreme.

Though on a small scale it rivals the beauty of many of the larger zoos but to be fully appreciated it must be seen.

TO OUR MEN OVER THERE

To every Soldier Over There: Thanksgiving Day, a special prayer—Deep in the Jungles, or high above, God walks beside you, with His love, A day will come with sudden Peace, When bombs and terror, all will cease,

And those who struck and fired first Be punished by a fearful thirst, A fearful thing to know that man Must manufacture things, than can Outwit, destroy a land of Peace When just at best, we're here, on lease.

And so we pray, it won't be long Before our hearts, be filled with song.

BAY ST. LOUIS

O the Bay of Saint Louis is calling me back,
Where the schooners sail home from the sea
To the brightest spot on memory's track
And my heart will ever there be.

Where the gulls and the terns wheel in their flight
And seem to laugh in their glee
No other spot in all the wide world
Can bring the same comfort to me.

So when the last clear call comes for me
And my soul has flown on its way
Wrapped in a sail let my body find rest
In the bosom of Saint Louis Bay.

REGARDLESS of the rain of Sunday afternoon reports of some good catches were made.

Saturday afternoon Walter J. Gex, Dr. H. A. Eldredge and Laurent Kergosien were seen up Jordan river trolling.

Fred Wright and party from Gulfport were disappointed Sunday morning when they came to Bayou LaCroix and could not secure a boat due to them all being engaged. Fred is a frequent visitor and usually gets his share of the fish.

Hanun Gardner and Dr. McWilliams of Gulfport caught some green trout up Bayou LaCroix Sunday.

Walter Favre and Millard Toulme were trolling in Jordan river Sunday. Their catch was not reported.

Clerk of Courts A. G. Favre and John Mollere caught some nice speckles Saturday in Jordan river.

Bob Genin and Dee Elliott caught 18 nice green trout and one 3 lb. speckle, along with 6 ducks being bagged Saturday afternoon.

John Mollere and Red Kimmel report killing some squirrels Sunday morning. Both are enthusiastic hunters and never miss a chance to be out in the woods.

August Rauxet continues catching some large speckles trolling in Jordan river. August is a good fisherman and stays with them.

Boat parties and those fishermen using outboard motors should have regard for other fishermen. Have the courtesy when passing those fishing to slow down your motor until you have passed. Especially fly fishing is disturbed by the waves that wash the shore from a speeding boat. Enjoy fishing—but be considerate of the other fellow.

Jordan River and Bayou LaCroix are proving a wonderful place for trolling this year. Speckles have been caught in large number, and green trout are still striking. Don't be fooled that they won't strike. Several good catches have been made recently.

Many strangers were seen over the week end hereabouts. They seem to like our section and are returning regularly—trolling seems to be their favorite sport.

George Danziger on his motor boat was enjoying catching some sheepshead at the mouth of Bayou LaCroix Sunday.

Ducks have been plentiful lately and several have been bagged during the week.

All boats at local fishing camps are usually out over the week ends—if you plan a trip make reservations or be on hand early. Several parties were turned away Sunday due to lack of boats.

If you have any fishing or hunting news—send them in to this column. It will be interesting to readers.

Other spots where speckles are being caught both by trolling and with bait are Bayou Cadet, end of seawall on North Beach, Bayou de Lisle and Bayou Portage across the Bay.

Dove hunters are anxiously awaiting next Tuesday, December 1st when the season opens. Reports are to the effect that doves are plentiful and some good hunting is expected. The limit is 10 and 10 in possession.

C. F. Sauer and wife of Waveland caught eight speckles averaging 2 1/2 pounds.

Charles Mollere and Cornelius Herlihy caught six large speckles this week.

S. L. McConnell and party from New Orleans caught a fine bunch of speckles trolling over the week end.

J. Bailey and party of Gulfport went up Bayou Phillip and returned with six nice green trout and some speckles.

J. C. Wilburn and L. P. Latimer tried to out do each other in size and weight of green trout. They caught eight beauties, four of them running about 3 lbs. each, the others about 2 lbs.

Judge Henry Fayard had quite an experience on a hunting trip last week when he and Gerald Price, Jr., went up Jordan River to the Mud Flats. Judge Fayard did not tell Gerald he intended to do some diving and did not even indicate such by his hunting outfit, but overboard he went when he lost his balance and made a pretty figure while in the water.

Eyestrain time is here!

• Shorter days and more evenings spent at home are bound to mean more use of eyes . . . more risk of eyestrain.

So while your family is reading . . . playing games . . . sewing for war needs, remember to guard their eyes from strain with simple steps like these below.

How to help your eyes and avoid wasting light

Clean bulbs and bowls often!

Make full use of light you have!

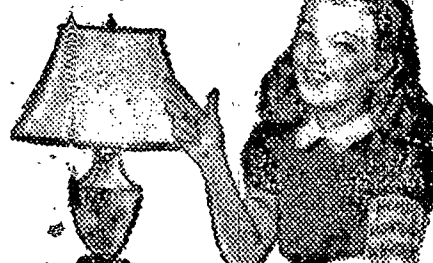

Dust and dirt steal more light than you think. Wipe bulbs and reflectors with a damp cloth and you'll get as much as 25 to 30% more light.

By arranging furniture and lamps carefully, you can often make one lamp serve two or more people effectively. But be sure it isn't too far away from either! A difference of 12 inches can reduce the light you get by as much as 50%.

Use shades with white linings!

Dark lamp shades or shades turned yellow inside rob your eyes of light . . . may cut down light as much as 50%. Clean or brush shades regularly; if they're too bad, replace with fresh ones.

RESOURCES:**Over Seven and a Half Million Dollars****P**rimarily Mississippi is rural. In the terms of her predominating farm population she is the most agricultural state in the Union. Because of this, it was fitting that Claude R. Wickard, United States Secretary of Agriculture, should have launched America's Thanksgiving and FOOD FOR FREEDOM program in a Mississippi village in October.

Food is as essential to victory as ships, tanks, planes, and guns, and those who plow, sow and reap are as vital to victory as those who labor in a munitions plant.

As we glorify men on assembly lines, have we not overlooked the task that the teeming millions of men, women and children perform, who till our fields and toil on farms? Are we not as much the granary as we are the arsenal of democracy?

We have much to be thankful for in an abundant harvest, and in the patriotism and productivity of Mississippians who contribute so much to the nation's colossal effort to feed and clothe the men who fight for freedom.

EDWARD SCHWARTZ, 61, DIED MONDAY AT NEW ORLEANS

Edward Schwartz, 61 years, died suddenly in New Orleans on Monday, just after the lunch hour. Mr. Schwartz, who was a daily commuter to New Orleans, had gone after eating his lunch, to make a purchase for Mrs. Schwartz in a Bienville street store and went into the wash room. The porter going in a few minutes later found him dead evidently from a heart attack.

He left home that morning, apparently as well as usual and outside of complaining of a pain in the calf of his leg, he never had been known to complain of not being up to par. A native of New Orleans he was the son of the late Mr. and Mrs. Louis Schwartz of that city but had made his home here for the last 35 years.

He leaves his wife, the former Miss Loretta Klock of New Orleans, three sons, Edward, Bay St. Louis, Marchmont Schwartz, director of athletics at Stanford University, Palo Alto, California, Billy Schwartz, of Bay St. Louis, and three grandchildren Mary Jane and John Robert Schwartz, twins, and Marchmont James Schwartz, children of the Marchmont Schwartzs. He also leaves six sisters, Mrs. Samuel Kessler, Joseph Lob, Arthur Schatz, Max Frishman, New Orleans, and Mrs. Leon Kessler of White Castle, Louisiana and Mrs. H. L. Kilb of Bremen, Germany.

A WORTHWHILE SUGGESTION FROM A BAY ST. LOUIS BOY IN SERVICE

We are in receipt of a letter from Pvt. Cedric Heitzmann, Bay St. Louis boy, who has been stationed at Camp Lee, Virginia, and who was transferred to Camp Barkeley, Texas, relating experiences of his trip.

The one thing that stood out he states was the treatment that they received from the Red Cross workers in different towns along their route from Camp Lee to Camp Barkeley. These Red Cross workers dressed in their uniforms, would be at the station when they passed through and would present them with cigarettes, candy, post cards and magazines. He states further that he knows that if the Red Cross ladies in Bay St. Louis would do the same thing for the boys passing through, that they would certainly be proud of the treatment they received for it certainly would make them feel good and make them feel as though they were at home.

This is food for thought for our organizations. It would entail a bit of work and would probably mean the expenditure of an amount of money, but in the end it would mean much to the local people to know that they had contributed directly to the happiness and welfare of some of the boys in service. We believe that it would be an incentive to our organizations to work harder for the welfare of the service men. As it is, the workers in the different organizations do not come in actual contact with the boys in service and are doing a job that is allotted to them; but, if a type of work, as suggested by this soldier boy from Bay St. Louis, were taken up, we believe that it would lend encouragement to many who are not now engaged in the work, and would be an incentive and encourage the present members of the organization.

—Forming a party going to New Orleans this week were Mrs. Winthrop Baker and her son Sonny Baker, Mr. and Mrs. Harold May and Mrs. Louis Pate. Mrs. Pate went to see her friend Mrs. George Geets who is ill in a New Orleans hospital. Capt. and Mrs. Geets are well known here.

—Two girls were born on Friday November 20th to Mr. and Mrs. Ed Poyadoux who reside in Kellar Camp on the Old Spanish Trail. The babies were tiny, each weighing four lbs., but were in excellent health. Mrs. J. T. Jacobs was the attending nurse, and is extremely proud of "her first twins."

—The many friends of Mr. Victor Lizana will be glad to hear of his discharge from Touro Infirmary and his return the latter part of last week to his home on Jeff Davis avenue in Waveland. Genial "Vic" Lizana whose friends are so numerous will be glad to welcome them now that he is recovering.

—Guests in the home of Miss Agnes Bourgeois recently were Mr. and Mrs. Alvin Marrero and their son Lucien, and Miss Daisy Bourgeois, all of Baton Rouge, Louisiana, who spent last week end with Miss Bourgeois. Lucien remained here and expects this week to enlist in the U. S. Navy aviation corps.

—Mrs. Arthur Bradley and little daughter of Eldorado, Ark., were guests this week of Mrs. R. N. Blaize and the Misses Blaize. They came to visit Lieutenant Bradley at the Marine Base at Henderson Point. Mrs. Bradley is a sister-in-law of Reginald Blaize. Mrs. G. H. Goodwin and Mrs. William Hammond and her little daughter Margaret Ann also of Eldorado visited Mrs. Goodwin's son, Garland Goodwin at Keesler Field. They were guests of the Blaize family also while here.

—Ensign Ralph Rugan, Jr., was among the 480 ensigns commissioned after the completion of the three months of V-7 Training course at the New York U. S. N. R. midshipmen school. Ensign Rugan is no stranger to Bay St. Louis the family having resided here for several years and Ensign Rugan is a graduate of St. Stanislaus. Mr. and Mrs. Ralph Rugan went to New York for the exercises and Ensign Rugan returned to New Orleans with them. Enroute to Mobile he stopped here as guest of Mr. and Mrs. A. C. Exnicio and other friends.

Personal and General

WEDDING OF MISS EMILY HOSMER AND MR. RENE DE MONTLUZIN SATURDAY

A wedding which claimed interest in New Orleans and throughout Mississippi and one which united two socially prominent families was that of Miss Emily Hosmer and Mr. Rene de Montluzin, Jr., which was solemnized at Christ Episcopal Church on Saturday afternoon, the Rev. Warwick Aiken officiating at the single ring ceremony.

Decorations adorning the altar and chancel were ferns, potted palms, and the Marie Antoinette baskets holding great clusters of white daisy chrysanthemums and stephanotis and interspersed with the seven branched candelabra holding lighted white tapers. The white ribbon, marking the pews was held in place with bouquets of the chrysanthemums in crystal holders. The decorating was done by the ladies of the Episcopal Guild.

The music was furnished by the L'Ensemble Chantant (of which Mr. de Montluzin was a charter member) with Mrs. J. B. Goldman at the organ, Mrs. J. Roland Weston, violin, and Mrs. Catherine Thomas, viola. Several selections of nuptial music were given preceding the entrance of the bride party and Lohengrin's wedding march as the processional and Mendelssohn's as the recessional.

The bride who was given in marriage by her brother, Harry Gayden Hosmer, wore a youthful gown of white satin fashioned with the tight fitting bodice and worn with the long veil of illusion which was held in place by a coronet of orange blossoms. She carried a bouquet of stephanotis, centered with a white orchid.

She had as her matron of honor Mrs. Richard G. Drown, of New Orleans, cousin of the bride groom and as her maids Mrs. J. Bruce Pascal of New Orleans and Miss Clara Reed of Starkville, Mississippi. All wore the blue velvet dresses fashioned with tight bodices and carried the old fashion bouquets of yellow tail-man roses with a spray of the same in their hair.

Mr. de Montluzin had as his best man Mr. Benjamin Eastwood of New Orleans, and as groomsmen Richard G. Drown and J. Bruce Pascal, of New Orleans.

A reception was held at the home of the bridegroom's parents on North Beach, and receiving with Mrs. de Montluzin, who wore a new fall model in black crepe and lace, with a shoulder corsage of white carnations, was the bride's mother, Mrs. Harry Hosmer, who wore an afternoon dress of black with a shoulder corsage of pink carnations.

Mrs. J. B. Beck of New Orleans and Mrs. Catherine Thomas carried out the color effect of green and white in the decorations at the home and the bride party stood beneath a green arch between potted palms and clusters of white flowers.

In the dining room the bride's table was covered with a lace table cloth garlanded with fern and white flowers and holding the crystal holders with white candles. Here the bride cut her four-tiered wedding cake.

The bride who is the only daughter of Mrs. Harry Hosmer, now of Dallas, Texas, is a native of Greenwood, Mississippi, and holds a degree from the University of Mississippi. She held the position of instructor of languages in the Bay St. Louis High School for two years.

Mr. de Montluzin is the son of Mr. and Mrs. Rene de Montluzin of this city and is a graduate of Loyola University in New Orleans. He is a pharmacist mate in the United States Coast Guard and is stationed at New London Connecticut, where they will reside for the present.

The bride wore for traveling a three piece model of grey wool worn with black accessories.

Among the out of town guests here for the wedding were Mr. and Mrs. Emile Dubuc, Dr. and Mrs. J. L. Crebbon and Mrs. H. R. Piccauga, Jr. and Mrs. Albert Veau, Mrs. Louise Kelly, Mrs. Jeanne Robichaux, Mrs. J. D. Beck, Mr. and Mrs. Edward Spurl, Mr. and Mrs. Edward Spurl, Jr., Mr. and Mrs. Harold Spurl, Mrs. Hampton Lewis, Miss Mattie Word, Miss Elsie Spurl, of New Orleans, Mr. and Mrs. Norbert Niolin, Mr. and Mrs. Theophile Combel, Lieutenant and Mrs. Theophile Combel, Jr., of Mobile, Alabama.

Master Robert L. Genin, Jr., celebrated his birthday on Wednesday afternoon at the home of his parents in Carroll avenue and Robert had a "big time."

There were the usual games and ice cream and cake and candy with the traditional birthday cake. The children attending were Sonny and Dickie Hitt, Emily and Joe Delph, Ty Robin, Kinta and Ames Kergosien, Grady Perkins, Patsy and Richard Shadoin and Gail and Janet Garner.

Mrs. Genin was assisted in entertaining by Mrs. Bernard Blaize and Mrs. Albert Hitt.

Miss Louise Crawford has tendered her resignation as county executive officer of the Citizens Service Corps, an office she has held since its organization.

Miss Crawford said that her duties as county librarian in the Hancock County War Information, Reference and Reading Service Center did not permit her giving sufficient time to the important work of the service corps.

She has done a good job in organizing the work and the staff was loathe to accept her resignation.
